

Dear Mr Capuzzi,

This note is to tell you how pleased we are with the work your crews completed at our home.

Victor, and his men, were very professional and polite and very hard working.

Matt, the carpenter, was just wonderful. He was more than helpful and a joy to have working here.

They transformed an aging deck into a wonderful sun room and completed the work on time.

This makes us very happy and would recommend your company for any future projects we may have. It was a pleasure doing business with your firm again.

Sincerely  
Joan Bruzell
