## **Capizzi Home Improvement Receives Prestigious CotY Gold Award**

*Eastern Massachusetts Chapter of National Association of the Remodeling Industry Presents Capizzi Home Improvement with 2009 Contractor of the Year Gold Award*

COTUIT, MA November 27, 2009—The Eastern Massachusetts Chapter of the National Association of the Remodeling Industry (EM NARI) presented the prestigious CotY Gold Award to Capizzi Home Improvement during the Evening of Excellence dinner held at the Westin Waltham on November 4<sup>th</sup>. Capizzi Home Improvement received the award in the category “Entire House Remodel” over \$500,000.”

The winning project, owned by Mr. Capizzi, took a 1950s 1,408 sq. ft., three-bedroom, four-bath, summer cottage and transformed it into a 3,079 sq. ft., four-bedroom, five-bath, beach home with multiple decks, a widow’s walk, 360° views, and new landscaping. To maintain its “old Cape Cod charm,” the original Art Deco style bathrooms and pine paneling were retained.

The CotY Awards recognize exceptional remodeling projects completed over the past year. Each entry is comprised of “before and after” project shots and detailed project descriptions. The entries are judged on functionality, problem solving, aesthetics, craftsmanship, innovation, degree of difficulty and entry presentation. An impartial panel of judges composed of industry experts then selects the winners.

“It is a great honor to receive this award and to be recognized by our peers,” said Tom Capizzi Jr. , president of Capizzi Home Improvement. “Receiving this award is a validation of our commitment to quality craftsmanship, professional ethics and excellent customer service. Not just my commitment, but the commitment of everyone in our company!”
